DAY 1: IQUITOS – CAPINURÍ LODGE

- Reception at Francisco Secada Viñeta airport or from your hotel in the city
- Transfer and arriving to Bellavista Nanay Port where we will take a short tour of approximately 10 to 15 minutes, before boarding the boat we will learn about the gastronomy of Iquitos. After that we will begin the navigation in Amazon River aboard comfortable and safe typical boats. The trip through the Amazon River will allow you to appreciate a wonderful panorama in which the magnificence of the river makes its way through the exuberance of the jungle, travel time 1:30 hrs approx.
- Visit to the "Yaguas Native tribe" whose ancestors were discovered by Francisco de Orellana in his first exploration of the Amazon in 1541. This visit will allow you to learn about their ancestral customs, appreciate their original palm fiber clothing and even test their aim with the "pucuna" (blowpipe) that the Yaguas used for centuries for hunting.
- Arrival at Capinuri Lodge. A short explanation about the rules that govern the sustainability of the lodge. After lunch, your accommodation will be arranged according to the type of room selected.
- Typical self-service lunch (if vegetarian, inform in advance).
- After lunch and relaxation, we will go to the Wildlife Rescue Center, to observe and interact with some of the varieties of wild animals in their wildlife, such as sloths, monkeys, macaws, toucans, boa constrictors and turtles. It will be an interesting way to learn to value and respect the typical wildlife of our Amazon.
- After this activity we will go in search of the gray and pink dolphins in the amazon river.
- Observation of the beautiful sunset over the Amazon (depending on weather conditions).
- Dinner
- Night excursion, your guide will tell you when the excursion on foot will begin, which will take you to discover the mysterious world of nocturnal insects, cicadas, spiders, mantises, snakes, etc.
- Back to the Lodge.
