

DIA 01: IQUITOS - NAUTA

- Pick up from the airport according to the schedule of your flight or your hotel in the city of Iquitos.
- NAUTA. Transfer to the Nauta pier, during the tour you will be given a brief orientation through the city of Nauta, a peaceful and welcoming city that is part of one of the most important tourist routes in the Loreto region, entrance to the Pacaya Samiria national reserve, Its location is in the northeast area of the Peruvian Amazon, approximately 100 km south of the city of Iquitos through a paved road.
- Next we begin navigation along one of the main tributaries of the largest river in the world, the Marañón River, aboard comfortable and safe typical boats. The trip along the Marañón River will allow you to appreciate a wonderful panorama in which the magnificence of the river makes its way through the exuberance of the jungle, travel time approximately 3:00 hrs.
- As the first stop during our navigation we will stop at PV 1 of the PACAYA SAMIRIA NATIONAL RESERVE. Here we will obtain our entry permit where it is controlled by the SERNANP (National Service of Protected Natural Areas)

- SPOTTING OF GRAY OR PINK DOLPHINS DURING THE JOURNEY
- LLEGADA AL PV 1 DE LA RESERVA NACIONAL PACAYA SAMIRIA. Here we will obtain our permits to enter the national reserve where it is controlled by SERNANP
- BUENOS AIRES BASE CAMP We will arrive at the camp where there will be a short explanation about the rules that govern its sustainability and its environment, allowing you to better understand the ways to make your stay in the NATIONAL RESERVE more rewarding.
- RECOGNISEMENT OF THE PLACE. We will have a brief reconnaissance of the surroundings of the camp to be able to do our next activity safely.
- **DINNER**
- **NIGHT EXCURSION.** Your guide will tell you when the walking tour will begin that will take you to discover the mysterious world of nocturnal insects, cicadas, spiders, praying mantises, snakes, giant toads, among others.
- STAYING IN OUR BASE CAMP

DIA 02: YANAYACU PUCATE

- **AMAZON SUNRISE.** Observation of this and exotic birds: During the early hours of the morning, it is the right time to observe many of the species of birds that feed on the banks of the river, as well as see the majestic sunrise at the national reserve that gives way to a new day.
- **BREAKFAST AT THE BASE CAMP**
- **SIGHTING OF GRAY OR PINK DOLPHINS DURING THE JOURNEY**
- WILDLIFE SPOTTING
- **BATHING IN THE MARAÑON RIVER** After having appreciated the beautiful fauna within the reserve, we got ready to then head to enjoy the fresh waters of the Marañón River and swim very close to the pink dolphins.

- **BOTANICAL WALK** After lunch we get ready to take a botanical walk to learn about the main trees and medicinal plants that exist in the Amazon, many of them with healing properties and others with certain mysticisms, our guide will explain each of them to us.
- **WILDLIFE SPOTTING.** Along the way we will be able to observe more diversity of fauna such as macaws, paucares, kingfishers among other species of birds in the reserve.
- DINNER
- **AMAZON TALES** At night we will have stories about Amazonian myths, tales and legends, these stories are an integral part of the local identity of Loreto such as: (Yacuruna, Sachamama, Chullachagui)
- OVERNIGHT IN OUR CAMP INSIDE THE RESERVE
